SAN CARLOS PARK FIRE DISTRICT PREMIERS NEW WEBSITE

For Immediate Release

WHO: San Carlos Park Fire District

WHAT: New District Website

WHEN: Currently Online

WHERE: <http://sancarlosfire.org/>

WHY: To further the ability to communicate with and bring information to the citizens of San Carlos Park. The new website is easy to navigate and presents information in a concise manner. San Carlos Park Fire District's website will provide citizens an opportunity to meet those who serve them, gain information on public education opportunities, learn more about the fire board and when public meetings occur, read news releases related to their community, and see what type of equipment is used daily to protect them, their family and their home.
