ACKNOWLEDGEMENTS

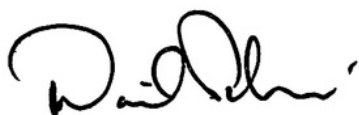

A WORD FROM THE FIRE CHIEF

Thank you for taking a moment to read through the San Carlos Park Fire Protection & Rescue Service District 2019 Annual Report. We are excited to share with you 2019's services and highlights. We have done our best to provide you with the exemplary level of service you've come to expect before, during, and after your emergencies over the past year.

Like many before, this has been a busy year for our fire district with response to 4,190 calls. We responded to various emergencies including fires, medical emergencies, natural and man-made events, hazardous material incidents, technical rescues, brush fires, and many others.

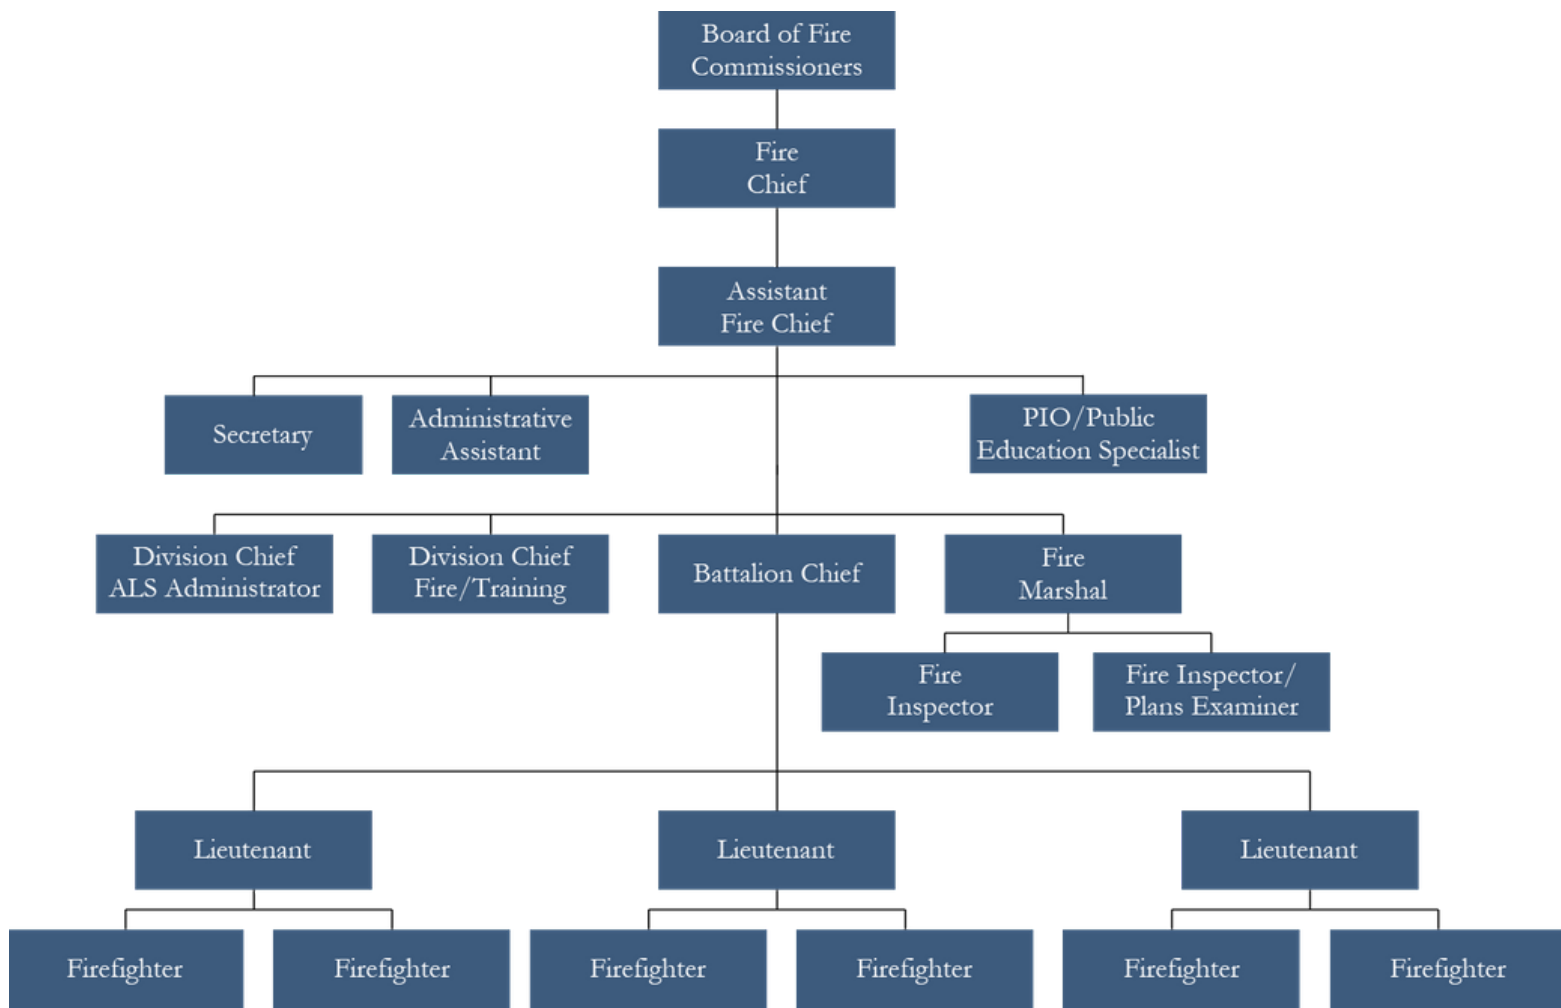

As always charitable giving and community involvement were a big part of the year. In 2019, 147 needy children had gifts to open on Christmas morning thanks to the Annual Secret Santa Program, 98 children received a letter from Santa himself through the Santa Mailbox program, five charities benefited from funds raised by Dinners at the Firehouse, and \$36,049 was raised for the Muscular Dystrophy Association through the Annual Boot Drive.

I would like to thank the Board of Fire Commissioners for their continued guidance, governance, and support which enabled us to offer the exemplary level of service we provide to our community. Thank you to our staff for their continued dedication to service. And finally, on behalf of our staff and Fire Commissioners thank you for the privilege to serve.

DAVID CAMBARERI
FIRE CHIEF

OPERATIONS

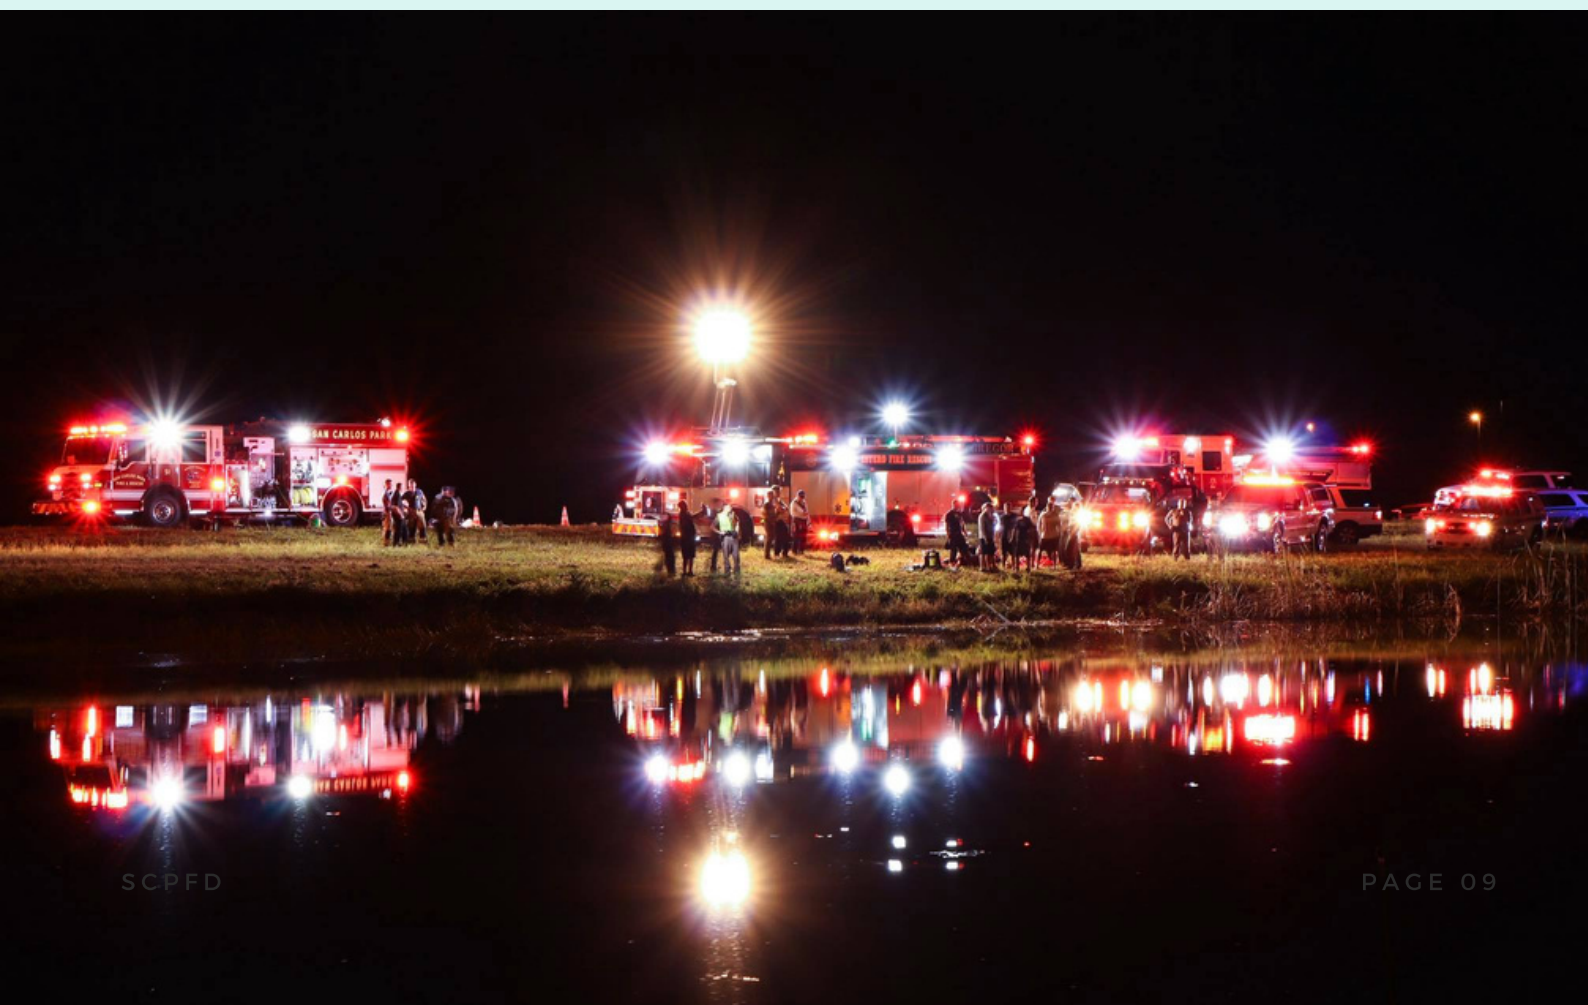

Assistant Chief Gene Rison

The District provides the community with an all hazard response system utilizing highly trained and skilled employees. We deliver this response utilizing 17 responders each day, working a 24-hour shift.

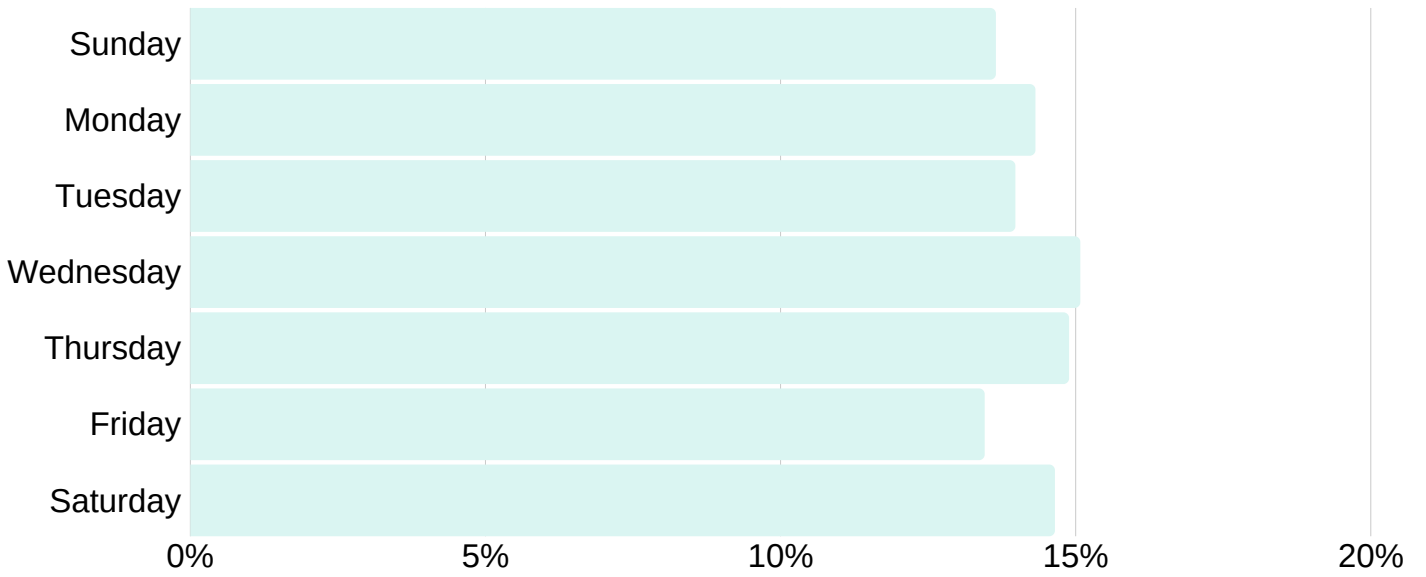

We have 3 shifts A, B, and C. Each shift is managed by a Battalion Chief. Operations is responsible for response to all E911 calls, district staffing, and facility and vehicle maintenance. Operations provides oversight and support to district training, emergency medical services, and fire prevention. In 2019 the district responded to 4,190 incidents, which was a 5.6% increase from the previous year.

TRAINING

Division Chief Glen Van Brunt

On average each SCPFD firefighter spends 19 hours a month training.

Training consists of both classroom based and practical skills.

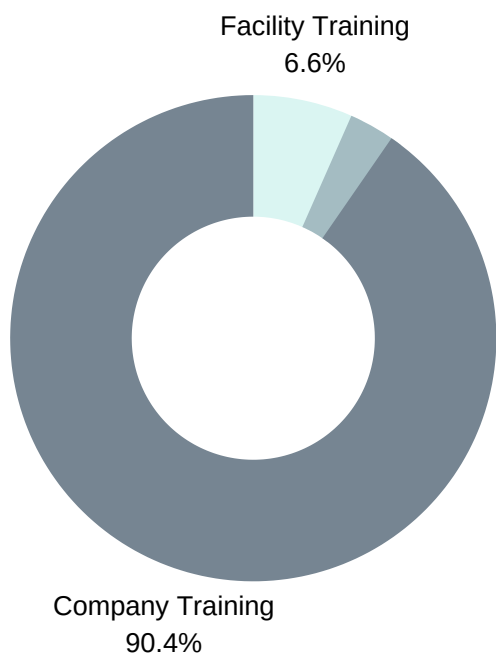

Examples of training include: self contained breathing apparatus, ropes, extrication, water rescue, pre-fire planning, driving operation, water supply, aerial apparatus operation, leadership, tactics and strategy, human relations and management, and public relations.

In addition to occupational skill based training, SCPFD firefighters also participate in regular Physical Training to remain in optimal physical condition to perform the duties ensuring the highest quality of service possible to our residents.
